Hae Kenow and Fabian Segal have been working hard since their arrival in Singapore to reach out to all of our alumni. They have been busy organising events, reaching out to alumni and updating the alumni database. Hae Kenow and Fabian Segal have been working hard to create a new alumni website which will be launched in May. The website will be the first platform where alumni can update their personal information, register for events, find alumni contacts and network with other alumni. Hae Kenow and Fabian Segal are also working on creating a new alumni magazine which will be launched in September. The first edition will be a special edition to celebrate the 100th anniversary of the Hotel Management School The Hague. Hae Kenow and Fabian Segal are also working on creating a new alumni mentorship programme which will be launched in September. The mentorship programme will connect alumni with current alumni to provide guidance and support.

Hae Kenow and Fabian Segal would like to thank all of our Dutch, Italian, Spain and Greek alumni for their warm welcome to Singapore. Hae Kenow and Fabian Segal would like to thank all of our alumni for their support and appreciation for where their contributions will be used.
