\*\* Please note that the costs mentioned are preliminary. As soon as the definite costs are available we will publish them on our website. We are not liable for any typing errors and prices may be subject to change.

**Non-EEA students (non-European Economic Area students)  
Explanation of the costs**

<p>A) Tuition fees for non-EEA students</p>	<p>Tuition fees for 1 September 2019 – 31 August 2020 have been set at € 13.330 for all non-EEA students. Due to Dutch governmental policies, Hotelschool The Hague (and all other professional universities) are not funded by the Dutch government for the education of non-EEA students. Non-EEA students therefore pay higher tuition fees than EEA students.</p>
<p>B) Skotel, training and study hotel</p>	<p>The Skotel and catering practical's form an integral part of the curriculum. It is compulsory for students to stay at the Skotel (the training and study hotel) during the first year; either in Amsterdam or The Hague. The fee includes breakfast and one meal a day at school during 40 school weeks as well as access to the Internet during 45 weeks. After the first year students are required to make their own accommodation arrangements.</p> <p>These fees also include a deposit of € 250. This deposit is reserved for repairs of damage to Skotel property caused by students. This deposit is refunded after compensation of outstanding balances or damages upon departure from the Skotel.</p>
<p>C) Visa costs</p>	<p><b>Visa procedure Hotelschool The Hague</b></p> <p>The visa costs (€ 171) include a residence permit for 4 years and, if applicable, a provisional residence permit to enter The Netherlands. In the first week of arrival at the beginning of the academic year students will be informed about how to obtain the residence permit, open a bank account, register at the City Hall and all other important matters related to becoming an official resident. A residence permit will generally be issued for the duration of your study programme, provided that you obtain 50% of your European (study) credits every year (Nuffic).</p> <p>Non-EEA students accepted for Hotelschool The Hague are obliged to pay forthwith the total amount on page 2, to Hotelschool The Hague. After this amount has been received, Hotelschool The Hague will start the visa procedure immediately and inform the Immigration Department (IND) of the Ministry of Interior and Kingdom Relations. Hotelschool The Hague has made special arrangements with the IND to apply for a visa for non-EEA students via a shortened procedure. That means that you are not allowed to apply for a visa yourself.</p> <p>In order to receive a visa, non-EEA students in The Netherlands are required to have a minimum of approximately € 885,- per month to cover their living costs (board and lodgings) – the minimum required is € 10.620 for the first year. This amount is <b>excluding</b> tuition fees.</p>

The following costs are paid from the sum of **€ 10.620**:

**€ 10.620**

-/- € 6.500 (Skotel)  
 -/- € 250 (Refund Skotel)  
 -/- € 171 (Visa costs)

**€ 3.699 refund**

**Please note: there are some variable additional costs:**

Computer/laptop	Although the school provides excellent computer facilities, we do advise students to purchase a laptop. Each student can log on to the school computer network by using their personal username & password as assigned by the IT Department. Throughout the school and at the Skotel rooms there are also wireless access points where you can connect to the Internet via your own laptop, mobile phone etc. using the 'HDH-HotSpot'. Please make sure you have a suitable portable device and either using a normal network cable (utp patch cable) or WiFi.
Books	Books can be bought from the school's supplier. Other lesson materials consist mainly of a course guide that contains important information for each course, such as the number of EC's it provides, who the lecturers are, etc. Workbooks and manuals provide additional reading material to supplement the books. These course materials are available free of charge after your start on the school's intranet: <a href="http://www.myhotelschool.nl">www.myhotelschool.nl</a>
Student expenditure for practicals	These average costs include uniforms, a scarf, badge, and a knife set and amount to approximately € 750**. This amount is excluding optional products like socks, belt, and shoes.
